Friday 29 May

What are we doing on Friday 29 May?

With your help, our aim is to raise as much money as possible for two charities close to our hearts –
Pancreatic Cancer UK & Herts Disability Sports Foundation

We will cover the distance around Hertfordshire with activities which equate to the perimeter of the county.

It's all about getting some movement into your day whilst raising money for some great charities!

With a full schedule of activities running throughout the day, you and your families can choose to opt in and join virtually via Facebook or YouTube Live or do your own thing!
